

Culminating Activity – Quick Reference Guide

Requirements

Select an occupation, a vocation, or a trade in a field of employment. You are to learn as much as you can about the topic and gather and print suitable materials. Also, you are to reflect on the Career Studies course and what you have learned about yourself and comment throughout. Where possible, you should interview someone who is working in this field to discuss current work experiences and educational requirements. This interview can be included as one of your research items.

You report or presentation should include information on the following:

- a) Job Description/Job Duties***
- b) Education and Training***
- c) Specialized Skills***
- d) Earnings/Wages***
- e) Working Conditions/Work Environment***
- f) Job Satisfaction/Job Stress***
- g) Related Jobs, Future Trends, or Self-Employment Opportunities***
- h) Community Involvement and Co-op Education***
- i) Personal Reflection***
- j) Career Studies Course Reflection***

Submission Options

- 1. WRITTEN RESEARCH REPORT or CLASS PRESENTATION**
- 2. CREATIVITY (All students must do this)**
- 3. WORKS CONSULTED LIST OF RESEARCH MATERIALS (all students must do this)**
