What is Voki?

Voki is a free service that allows you to [create](#) personalized speaking avatars and use them on your blog, profile, and in email messages.

Voki is brought to you by the folks at [Oddcast](#), a New York based company that has been creating innovative user-generated media technologies for years. Since 1999, Oddcast has powered some of the web's most groundbreaking and successful campaigns including Careerbuilder's [Babymaker](#).

Featured Application

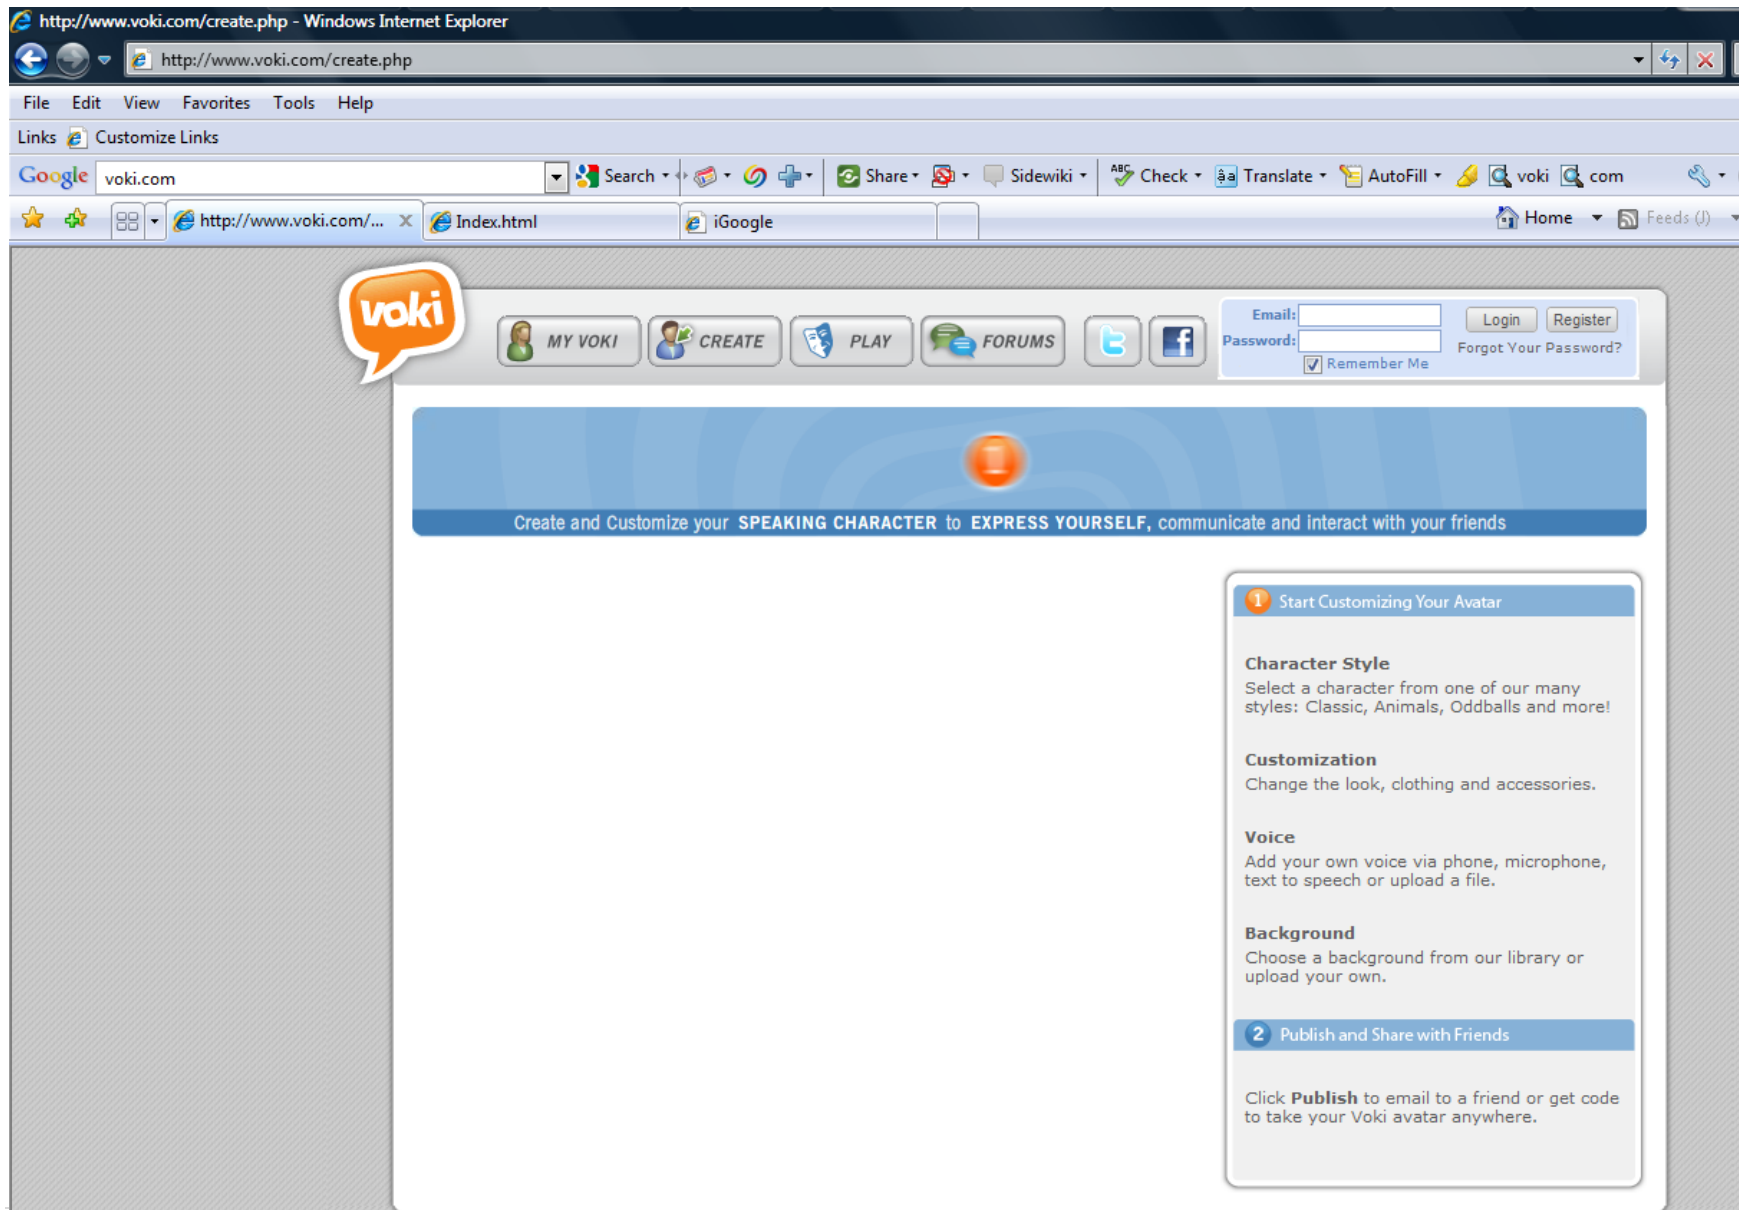

You can't touch Purina's new campaign ... but you can upload photos of you and your dog to star in an MC Hammer-inspired song and dance routine. Check out [Beqqin' Time](#) and go ballistic!

Featured Voki Educator

An exploring UK teacher tried Voki to motivate students in her Spanish language class. Results? Kids loved Voki! See the story on Teachers TV Channel in UK. [Watch the video](#)
